

TRAIN THE MODEL ON IBM

DATE	15 November 2022
TEAM ID	PNT2022TMID04168
PROJECT NAME	AI-powered Nutrition Analyzer for Fitness Enthusiasts
MAXIMUM MARKS	4 Marks

The screenshot displays the IBM Cloud dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links to 'Catalog', 'Manage', and the user's account 'Bharath Kumar's Acco...'. Below this, the main dashboard area is titled 'Dashboard' and includes options to 'Edit dashboard', 'Upgrade account', and a prominent blue 'Create resource' button. The central section, labeled 'For you', features a grid of five cards: 'Build' (a large blue card), 'Build a web app with Watson Speech to Text' (15 min), 'Get Started with Watson Studio' (2 hr), 'Build and deploy Node.js apps' (15 min), and 'IBM Watson Internet of Things Platform' (2 min). Each card provides a brief description and a 'Getting started' or 'Recommended' button. At the bottom, there's a 'User access' section with a 'Manage users' link, a 'News' section with a 'View all' link, and a 'Planned maintenance' section. The bottom of the image shows a Windows taskbar with various application icons and a system clock indicating 21:51.
